URGENT CARE

Don’t let cold and flu season slow you down

Colds, flu, and respiratory infections don't wait for a convenient time to strike. With **Revive Urgent Care**, you have a doctor available by phone or video — **at no cost to you** — so you can get treated fast and get back to what matters. No waiting rooms, no copays, no taking time off work.

Same-day urgent care

See a provider by phone or video, seven days a week.

Feel better faster

Get diagnosed and treated without leaving home.

No cost to you

Every allergy and sinus visit is covered by your benefit.

Cold and flu season is here. Revive is ready when you are.
